Community Impact through Community Building

Your donation helped save a mom.

"I stood in front of the big white doors, feeling terrified and alone. The police had brought me and my children to Hestia House, a shelter for abused women and children, because my husband had hit and kicked me. Going to Hestia House changed my life. My children and I now live a life free from violence and abuse. Thank you United Way for ensuring the continuation of such a vital service in our community."

- 32 year-old mother of 2, Saint John, NB

Since 1984, United Way donors have supported **Hestia House**, a safe place for women and children who are victims of family violence. You may ask yourself, "There are so many people with so many problems; how do I make an impact? How do I give people hope and dignity? How do I tell them that someone cares?"

There is a way. The **United Way**.

Helping families and kids be all they can be.

Opportunities for people to care.

- \$1.34M raised locally in 2010
- \$35M invested in community since 1959
- Supporting human and social needs
- Local people helping one another.
- Opportunities to volunteer include: Board of Directors, Campaign Cabinet, Community Investment Committee, Workplace Campaign Coordinators, office and special event administration.

Your donation helped raise a child.

Amber, age 12, started at the Boys and Girls Club of Saint John in the Daycare program and says she has learned a lot over the years from the counsellors. "They have helped me make better choices and to know right from wrong."

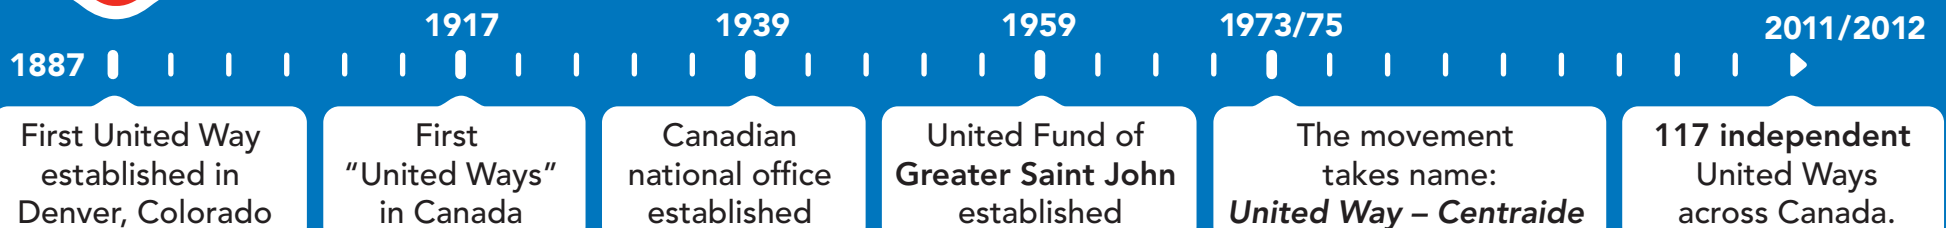

"I love that I get to do more and be involved in different things such as cooking. I loved being part of that! Music and 'Mmmm... Suga, Suga' (selling cookies) were fun too! I'm excited to be a CIT (counsellor-in-training) this summer too!"

The Boys & Girls Club has been a safe place for Amber to make new friends and gain confidence. Amber says the Club "is a great place to be and I want to be here forever!"

That's how our community makes a difference. People helping people through **United Way**.

125 Years of United Way

In Recognition of Leadership

Honour Roll 2010

The combined gifts of Corporate and Individual Leaders made up 39% of the 2010 Campaign Achievement. Beyond the charitable tax receipt and tax savings associated with a gift to United Way, Leaders receive an exclusive Leader Lapel Pin, a special invitation for two to the United Way Leader's Reception, and inclusion in the annual Honour Roll and other United Way publications.

**While in position of Mayor of City of Saint John

A great kid gets a super friend.

Darien was a quiet boy who needed a male role model – and a friend. He waited 4 years until he was matched with a Big Brother. Now, every week, Darien meets John to play his favourite video games, watch a good movie or go outside and play sports. Darien has become more outgoing and talkative; he gets high marks in school and works as a summer volunteer. Your donations make it possible for **Big Brothers Big Sisters of Saint John** to provide mentoring services and manage adult volunteer matches with the children they serve from Hampton to St. Stephen. When children need someone to look up to in our community, United Way is there to bridge the gap. Neighbours and friends coming together to offer guidance and resources to help, teach, build and give — the United Way.

Thanks to you, every day, we're building a stronger community together
